I. Read the text and write *True* or *False:* **15p**

Hello. My name is Tina, and today I want to tell you about my daily routine.

I wake up at 6 o'clock. I like staying in bed for another fifteen minutes. When I get out of bed, I go to the bathroom, wash my face and brush my teeth, and then I get dressed. I go to the kitchen, have a glass of water, and prepare my breakfast. I have toast with butter and a cup of tea.
After I finish my breakfast, I wash the dishes, and then I'm ready to go to school!

My classes always start school at 8 o’ clock. I finish school at 2 o’clock in the afternoon.

After school, I go home, but sometimes, I visit my grandparents. My grandma is an excellent cook, and she loves cooking pasta for me. My favorite food is pasta with tomato sauce.

In the afternoon I watch TV for an hour and chat online with my friends. My parents come home at 6 o’clock p.m. I have dinner with my family and then I take a shower around 7:30. I put on my pajamas, brush my teeth one more time, and read in bed until I feel tired. I fall asleep around 10 p.m.

And that's it! Thank you for reading about my day.
